

# STEELMASTER SM-HBS280 BANDSAW

Heavy Duty Variable Speed Double Mitre Bandsaw  
Available In Both 240V & 415V.

## FEATURES

- double mitre cutting bandsaw with quick action angle positioning
- hydraulic down feed system for automatic continuous lowering of the saw frame
- hardened, polished worm gear with bronze drive gear for longer service life
- variable speed operation to enable the cutting on a variety of materials
- machine stand with integrated cooling fitted as standard
- quick action clamping vice
- powerful motor suitable for continuous operation
- saw arm mitres up to 60° featuring space saving and convenient mitre cutting
- vibration free, low noise operation ensures clean cut and high precision
- carbide blade guides
- blade tensioning gauge
- CE compliant

## UNIQUE FEATURES

"making ours unique!"

- Tungsten blade guides
- Variable speed
- New Euro design
- Safe front operating panel
