

ASSET INDUSTRIAL SWING BEAM HYDRAULIC

Heavy Duty Over Driven Hydraulic Guillotine That Meets The Market Price.

FEATURES

- swing beam operation ensures clean cut of all applications
- hydraulic individual hold-downs ensure uniform distribution of down pressure across the entire cut length
- shadow-line lighting clearly indicates the cutting line requirement
- quick-action blade gap setting ensures burr-free cutting on all materials
- front support table with roller-bearings for simple and smooth material in-feed
- high quality HSS top blade with 2 x cutting edges, while bottom blade has 4 x cutting edges
- side throat for slitting
- swing out back gauge permits longer lengths of material to be cut
- rear mounted safety lights
- rear light gauge sheet support models also offered

UNIQUE FEATURES

"making ours unique!"

- Industrial Build Quality
- Reversible Multi Sided Blades
- Programmable Back Gauge
- Rapid Blade Gap Setting
