

COMBINATION ROTARY TABLES & ACCESSORIES

FEATURES

- universal rotary table
- setup table rotates on a large, ring-shaped, oil-bath lubricated, roughened flat guideway
- the robust, very effective fixture pulls the setup table down straight vertical without any change of position or radial pressure and presses it against the guideway
- for quick manual turning, the worm can be disengaged from the worm gear by pushing down the hand-lever
- the zero-back lash of worm and worm gear is adjustable

FEATURES

- swivels from horizontal to vertical (90°)
- centre height 70mm, 25mm bore
- thumb screws for chuck rotation
- 94:1 ratio
- weight: 9kg
